Our 2006 Sauvignon Blanc is a blend of 92% Sauvignon Blanc and 8% Semillon. Showing great depth in the nose, citrus, powdered sugar and orange blossoms are integrated with pears, white peaches, and green apple. A touch of lemon peel and lime lingers in the background. Fresh, crisp, acidic and viscous, this wine can be enjoyed anytime, especially with your favorite seafood dish.

2005 Sauvignon Blanc

Wine Spectator 2005 – 89 points

“... while the wine has ample body for accompanying almost any light meal, a backbone of crisp acidity steers me back in the direction of great Northwest seafood.”
